

March 31, 2008

## ***Special Notice To Our Valued Customers***

Since 1999 Caravan Canopies Canada Inc. has provided on site branding solutions to the Canadian marketplace.

I would personally like to thank all of our loyal customers, past and present for your support and trust over the years. Together we have made Caravan Canopies Canada Inc. the number one Instant Canopy Company in Canada.

Effective August 30, 2008 Caravan Canopies Canada Inc. will be changing its corporate name and will not be using the Caravan brand of instant canopies.

The transition from the Caravan brand to our new brand, Impact Instant Canopies, has already begun and will not affect product quality, customer service or client support. In fact, Impact Instant Canopies are of similar design and quality as the canopies we have sold since 1999.

The ownership, staff and offices of Caravan Canopies Canada Inc. will not be changing.

Our new product line and customization capabilities are state of the art and our response times to your needs are the industry's best.

Should you have any questions please contact me directly at (604) 209-2110. I will be pleased to explain this transition in further detail.

Please continue to visit our web sites at [www.caravancanada.com](http://www.caravancanada.com) and [www.impactcanopy.com](http://www.impactcanopy.com) for exciting new innovative updates to our product line, further transition details and special offers.

Thank you for your ongoing business and support.

Mike Ohirko  
President / Owner
